

Vytenis Kondrackis

vytenis.kondrackis@gmail.com | +37069027338 | Kaunas, Lithuania

I'm a self-taught and enthusiastic front-end developer. I like using new technologies and tools to combine them into functional and user-friendly designs. My goal is to learn and grow to use my skills in web development. If you are hiring for an entry or junior level web developer, let's have a chat!
